

# Summer Newsletter

## Name Change

Creative Choices Pregnancy Resource Center is rebranding! Our new name will become WaterLife Pregnancy Care Center. The name change will more fully represent the work of the pregnancy center. WaterLife is inspired by Jesus' response to the woman at the well in John 4 when He offers her Living Water. Just as she was marginalized by her society, the women we intentionally reach and love are many times faced with the same response from their communities and families when facing unplanned pregnancies or unplanned material needs. We strive to love and help them just as Jesus did. Our mission statement fully embraces the work we seek to accomplish at the center.

## Mission Statement

"We are an exclusively Christian, educational, pro-life, nonprofit ministry committed to promoting the sanctity of the preborn from conception. We seek to create a prolife culture within our community, love and serve clients facing an unplanned pregnancy, and encourage and promote abstinence. Our desire is that each parent encountered is introduced to the pro-abundant life message of salvation through Jesus Christ."  
\*Before each bi-monthly Board of Directors meeting we recite the mission statement as a reminder that the work we do should always compliment our mission.

## Walk for Life

**Goal: \$8,000**

Holy Redeemer Catholic Church will host the annual Walk for Life on September 17, 2022. Registration will begin at 10:00 am. The Walk will begin at 10:30 am. This year walkers will receive a tote bag with the new name and logo. You will find the fundraising enclosed with this newsletter. Please encourage your prolife friends to join us as we raise funds for the pregnancy center. The funds will help the resource center provide much needed material support to families of children two and under as well as encourage each mother who enters to choose LIFE for her preborn baby as her first parenting decision.

# Service Report

## Baby Bottle Campaign

**Goal: \$33,000**

Creative Choices Pregnancy Resource Center thanks you! You met the goal of \$33,000 for the Baby Bottle Campaign. It is not lost on us the sacrifice each of you has made during these days of extreme gas prices and inflation. Your giving helps us continue the work of serving the preborn and their families as well as increasing our ability to serve families of children two and under who may be experiencing unforeseen material needs during these challenging times. We hope you are encouraged by the service report. We take seriously the work with which we have been entrusted. If at any time you would like to visit the center please give us a call at 252-441-1818 and we will schedule your visit.
